The image shows the EU Energy Label for a Kumho HA32 tire. At the top left is the European Union flag, followed by the word "ENERG" in large blue letters with a lightning bolt symbol. To the right is a QR code. Below this, the brand and model "KUMHO HA32" and the identification number "2343171" are listed. The tire specification "225/50 R18 95 V" and the category "C1" are also shown. The label features two sets of energy efficiency scales: one for rolling resistance (left) and one for wet grip (right). The rolling resistance scale has five levels (A to E), with level B highlighted in black. The wet grip scale also has five levels (A to E), with level A highlighted in black. Below the scales are icons for noise (72 dB) and winter performance (snowflake symbol). The year "2020/740" is printed at the bottom right.
